

# Rhythm IS THE UNIVERSAL Heartbeat

The Fourteenth Annual  
**EARTH  
DRUM  
COUNCIL**  
Weekend

Learn drumming and dance traditions of different cultures, and experience how drumming and dance can enrich your life and create community.

**June 13-15, 2003**

in the beautiful Berkshires of Western Massachusetts

For over a decade, Earth Drum Council Weekend has been a place for drummers and dancers to gather in community, teach and learn and develop our skills, revel in the natural beauty of the Berkshires, drum and dance around the fire at night, and deepen our connections with each other. Each year, we invite drum and dance teachers who are among the very best in their field, to offer workshops in a variety of styles and traditions from African to Latin to Middle Eastern and more. EDC Weekend is a great place for beginners to explore the path of the drum (and there are always a few folks who have never drummed before), as well as an occasion for experienced players to have some of the hottest jams we've ever participated in!

Cost for the Weekend (Friday evening to Sunday) \$230 to \$275 sliding scale postmarked by May 12. After May 12, \$250 to \$295. Day-long drum and dance intensive on Friday, June 13, \$75 additional, includes Thursday night lodging. Fees include vegetarian meals, lodging, and workshops. Some partial scholarships available. Families welcome, please call for rates.
